Alliance for Economic InclusionSummary of Allocation Committee Recommendations

| Organization Name | Title | County or Geography of Service | Summary | Year 1 Budget | Total Budget |
|----------------------|---------------------|--------------------------------------|--|---------------|--------------|
| Peace Inc. | Childcare Solutions | All of Onondaga County | PEACE, Inc. and partner organization Child Care Solutions offer to increase the number of trained practitioners in early childhood education settings throughout Onondaga County. Successful participants will be prepared to start registered home child care business or accept teacher aide positions in Head Start/Early Head Start. Project activities will remove barriers to career pathways in child care and early education by providing vocational training, start-up funds for materials, and coaching and technical assistance. These activities will help unlicensed caregivers to meet health and safety standards, fulfill state registration requirements for Family Day Care Homes, and/or complete education requirements for early childhood professional credentials and become part of a professional community of child care providers. | \$171,685 | \$171,685 |

| Providence | Childcare | All of Onondaga | Transportation has been the missing link | \$46,000 | \$414,000 |
|-------------|--------------------|-----------------|--|-----------|-----------|
| Services | Solutions | County | for most people to escape poverty and to | | |
| | | · | fully benefit from many Workforce | | |
| | | | Development programs. This proposal fills | | |
| | | | that gap and we anticipate an increased | | |
| | | | rate of successful outcomes from the | | |
| | | | candidates we service with the Shuttle To | | |
| | | | Work program. The shuttles can operate 24 | | |
| | | | hours a day, 7 days a week as needed. | | |
| | | | Providence Services is the only organization | | |
| | | | with a successful Ride To Work Pilot and | | |
| | | | Shuttle to Work program. Our Program was | | |
| | | | recommended in the SMTC WorkLink study | | |
| | | | on assessing transportation options for | | |
| | | | Low-Income Workers. Our research and | | |
| | | | operations have provided us with the | | |
| | | | expertise and experience necessary to | | |
| | | | confidently operate a larger Shuttle to | | |
| | | | Work program. \$5.00 per rider for up to 6 | | |
| | | | riders per van. | | |
| Partners in | Diversity in Early | All of Onondaga | The goal of the Diversity in Early Education | \$128,168 | \$128,168 |
| Learning | Education and | County | and Care project is to increase the number | | |
| | Care | | of trained, culturally and linguistically | | |
| | | | diverse practitioners in early childhood | | |
| | | | education settings throughout Onondaga | | |
| | | | County. Project activities will remove | | |
| | | | barriers to career pathways in child care | | |
| | | | and early education by providing English | | |
| | | | language and vocational training, start-up | | |
| | | | funds for materials, and coaching and | | |
| | | | technical assistance. These activities will | | |
| | | | help unlicensed caregivers meet health and | | |
| | | | safety standards, fulfill state registration | | |
| | | | requirements for Family Day Care Homes, | | |
| | | | and/or complete educational requirements | | |
| | | | for early childhood professional | | |

| | | | credentials, and become part of a professional community of child care providers. | | |
|---|--|---------------------------|---|-----------|-----------|
| Work Train - United Way of CNY | | All of Onondaga County | Work Train, sponsored by United Way of CNY, proposes the AEI Work Train Expansion project for the purpose of increasing job access along career pathways for un- and underemployed residents in Onondaga, Cayuga, and Oswego Counties in the health care and tech industries. | \$489,860 | \$489,860 |
| Literacy Coalition of Oswego | Imagination Library for Oswego County | Oswego County | This proposal represents a plan to develop literacy skills of all children, especially economically disadvantaged children from birth to age 5 by replicating the Imagination Library program. The current costs of enrolling a child in Imagination Library is \$25 per child per year to have a quality age appropriate book delivered to their home each month. Pilot in one area and then expand. | \$50,000 | \$250,000 |
| Women's Opportunity Center and Jubilee Homes | LEADS CNY/Build to Work Leadership, Employment & Development skills | South Side, Syracuse | This program will teach the needed skills for individuals to seek, gain and keep employment, starting at the entry-level, in the retail industry. Typical positions that would be presented in training include: cashier/clerk, back office support, inventory, warehouse, and more. The WOC and JHS would provide intensive case management to help participants address their barriers to employment that include but are not limited to: lack of skills, transportation, criminal history, child care, | \$100,000 | \$500,000 |

| | | | education referrals and more. | | |
|--|---|-----------------|---|-----------|-----------|
| Oswego County Opportunities, Inc. | SCORE Oswego County | Oswego County | The SCORE Oswego County project is a comprehensive Workforce Development program that includes care management supports to assist participants with achieving educational and career success goals to decrease the number of Oswego County residents living in poverty. SCORE is a collaboration between Oswego County Opportunities, Inc. (OCO) and the Center for Career & Community Education (CCCE) and will deliver services throughout communities in Oswego County, including utilizing a mobile unit, which will allow OCO and CCCE staff the ability to make services in the more isolated rural areas of the county accessible for low income people who lack access to transportation. | \$580,000 | \$760,000 |
| Cortland County Community Action Program | Cortland County Getting Ahead Program | Cortland County | Our two year project addresses the needs of employers, low income job seekers, and the people who work on helping people gain and keep employment. The project will use evidence-based strategies to help low income people develop and practice work-related competencies, work with employers to improve on-the-job retention, provide new training for counselors and job coaches, and improve the overall career development process in our county. | \$75,000 | \$150,000 |

| On Point for | Alleviating | Oswego ,Cayuga, | This proposal will scale up our college | \$822,557 | \$2,608,995 |

| · · | Pathways to | (Onondaga) | outreach projects across the Central New | | |
| | College and | | York region at sites in three additional | | |
| | Careers | | counties—Oswego, Cayuga, and Cortland. | | |
| | | | Services will continue to be provided to | | |
| | | | students in Onondaga County who come to | | |
| | | | On Point through our main office or | | |
| | | | through outreach sites in Syracuse. An | | |
| | | | additional expansion of comprehensive | | |
| | | | services, including College Access, Success, | | |
| | | | and Career Services to refugee students in | | |
| | | | Onondaga County will be a result of a | | |
| | | | partnership with RISE (Refugee and | | |
| | | | Immigrant Self- Empowerment) - | | |
| | | | Partnership also with MercyWorks. | | |
| Cayuga/ Seneca | Employment | Cayuga County | Employment Pathways is a workforce | \$154,366 | \$771,828 |
| Community Action | Pathways | | development program designed to connect | | |
| Agency, Inc. | Program | | people in poverty to career path | | |
| | | | opportunities within regional growth | | |
| | | | industries. The Employment Pathways | | |
| | | | Program will increase career and technical | | |
| | | | opportunities among the low-income | | |
| | | | population, increase the number of low- | | |
| | | | income adults graduating from college, | | |
| | | | increase the number of students | | |
| | | | matriculating to higher education, increase | | |
| | | | underemployed and unemployed | | |
| | | | individuals placed in jobs, increase access | | |
| | | | to transportation and child care, and | | |
| | | | improve the overall health and well-being | | |
| 1 | | | of participants. | | |

| Catholic Charities of Onondaga County | Culinary Arts for Self-Sufficiency 2.0 | Syracuse | Catholic Charities is proposing to expand its Culinary Arts for Self-Sufficiency program which currently provides employability training, culinary training, and employment services to adults living in generational poverty. Replicable to other counties | \$500,000 | \$1,000,000 |
|---|--|-------------------------------------|---|-----------|-------------|
| Hack Upstate, LLC | Careers in Code: A coding bootcamp for Syracuse Women and Minorities | Syracuse City Onondaga County | Hack Upstate will create career pathways in software development for women and minorities from distressed communities by providing them with real world technical skills required by local employers. We will create and provide access to opportunities for those in concentrated areas of extreme poverty, while providing local employers with a coding bootcamp service that will help them fill talent gaps and foster growth. | \$206,144 | \$206,144 |
| Syracuse Northeast Community Center | Career and Job Opportunity Program | Syracuse City | The six (6) Syracuse community centers of Dunbar, Huntington, Northeast, Spanish Action League, Syracuse Community Connections (Southwest Community Center), and Westcott seek to implement a Supported Employment Program that operates within each of the centers. The Supported Employment Program will consist of dedicated staff at each of the sixmember community centers to work directly with participants' of each center, both internally and externally, to provide career coaching. The program will provide both hard and soft skills essential for gainful employment. | \$459,374 | \$1,298,122 |

| The Jewish Home of Central New York | Elder Care Residency | Syracuse - Nottingham High | The Jewish Home of Central New York proposes to develop and deliver a career and job opportunity program for area high school students through a residency program at the Home. This program will provide students the opportunity to explore employment in health care in the nursing home, residential elder care setting before graduation. This will not only help reduce the stigma and clear any wrong assumptions of the rewards of caring for the older adult and open the doors to employment in a continuum of care campus in their community, but it will increase their knowledge of the various roles in the job rich health care industry Partner with Nottingham | \$125,380 | \$125,380 |
|---|---|--|---|-------------|-------------|
| Home Headquarters | CNY Lease Purchase Program | Auburn, Fulton, Oswego and Syracuse, | Home HeadQuarter's proposed Lease-Purchase program will provide the funding needed to purchase 30 vacant residential properties in transitional neighborhoods, rehabilitate them to correct health, safety, and code concerns and make them available for lease with the option to buy to low income residents. The Lease-Purchase program will focus on the cities of Auburn, Fulton, Oswego and Syracuse, and their inner-ring suburbs. | \$1,000,000 | \$1,000,000 |
| Oswego County Opportunities, Inc. | Oswego Regional Poverty Reduction Collaborative | Pulaski, City of Oswego, Oswego County | This project will synthesize the several disparate efforts through a Collective Impact model that encompasses a shared vision and goals, shared measures, strong partnerships and the use of data to guide decisions to address and reduce poverty across the Oswego County region. | \$100,000 | \$100,000 |

| Hillside Work Scholarship Connection | Expansion of Workforce Development Program | Syracuse | This proposal requests funding for sustainable expansion of Hillside's workforce development program. This will allow us to serve an additional 150 8th graders and expand the College & Career Prep partnership with SUNY OCC. This proposal includes a \$1.5M request for capital improvements to Phoenix Center that the Allocations Committee did not recommend for funding. | \$601,064 | \$1,803,192 |
|--|---|--|---|-----------|-------------|
| Cooperative Federal Credit Union | Business Opportunity Fund: Economic Inclusion through Increased Capital | Syracuse, Oswego, Fulton, Lyncourt, Mattydale | This proposal requests funding for micro- business loans to grow business ownership. This will create a Startup Loan Fund and loan decision will be based on character lending principles. There will be an AEI member on the loan committee. | \$300,000 | \$600,000 |
| Syracuse Brick House (Syracuse Behavioral Healthcare) | CASAC Trainee Certification Program | Onondaga and Oswego County | The goal of this project is to provide job training for people in Central New York to become Credentialed Alcoholism and Substance Abuse Counselors (CASACs) and Certified Recovery Peer Advocates (CRPAs). Syracuse Brick House, Inc., d/b/a Syracuse Behavioral Healthcare (SBH) has a Training Institute that is able to provide comprehensive training in both of these professions. These funds will provide job training for up to 300 people and increased access to care. | \$267,011 | \$267,011 |
| Early Childhood Alliance | Parent-Child Home Program | Onondaga and Cayuga County | The Parent-Child Home Program is a comprehensive approach to get children ready for school, on track for educational success, and career ready. The PHCP home visiting component provides two years of twice-weekly 30 minute visits to families with children between ages of 16 months to 4 years. | \$150,000 | \$450,000 |
